

# HILLSBOROUGH HAPPENINGS

## \*Summer Session 2011\*

Welcome to Hillsborough Schools Summer Session. The staff is looking forward to a summer filled with lots of sunshine, water play, fun activities and exciting discoveries for everyone!

Our theme this summer is "Beyond Imagination"

Please read the following information carefully so that together we can provide the best possible experience for your child:

- \* Outside time is an important part of our summer session. In order to protect your child from the sun's damaging effects, please apply sunscreen before arriving at school. If you would like us to reapply sunscreen throughout the day please bring in a labeled bottle of sunscreen!
- \* A swim suit, towel and water shoes must be brought to school in a bag with each item clearly labeled with your child's name.
- \* Please read all notices on the front doors, in your child's classroom and those that are sent home. These will answer many of your questions and will keep you up to date with school information and events.
- \* Hot lunch is still available Monday through Friday. Please order through the Cater Tots menu in the front office.
- \* Tuition is due by the 1st of each month.
- \* Please ensure that your child is signed in and out at the front desk each day and that they are picked up by their scheduled time.
- \* It is extremely important that your child's file is complete and current. Remember to update us when any information has changed (phone numbers, contact people, etc) It is very important that staff be able to locate a parent or pick-up person in the event of an injury or sickness.
- \* Please let us know when your family will be on vacation and when you will return so teachers won't worry when your child is not here.

The children and staff are sure to make many wonderful memories during July & August.

*Have a Safe & Happy Summer!*

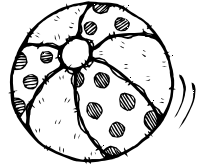

Miss Cynthia  
Director
