It's that time of the year... Our Pre-K & Jr. K children are eagerly awaiting their graduation into Jr. Kindergarten or Kindergarten. And all of the other children sense that summer is not too far away. Everyone is looking forward to those fleeting fun-in-the-sun days. *YEAH!* Summer at Hillsborough will definitely be fun and memorable. Not only will the children be working on academic review through our "Adventures in Nature" theme, but our fun-filled events and splash times will have the children very busy.

On behalf of the entire staff of Hillsborough School I would like to thank all of you who made "Teacher & Staff Appreciation Week" so wonderful! Your participation & recognition for the invaluable work we all do made us feel so loved and appreciated by you and your children. We love what we do and feel so lucky and honored to have such amazing parents and children at our school. A special **thank you** to everyone for putting together such a beautiful teacher's luncheon for us all. We enjoyed *all* of the delicious food that was contributed and the prizes were a great hit! Your celebration of teachers & staff during this special week meant so much to us. Our heartfelt gratitude to all of you!

Another amazing school year has flown by and it's always hard to say good-bye to all of the extraordinary children and wonderful families that have been with us. Thank you for always being so enthusiastic and supportive of Hillsborough School....it means so much to all of us!

Wishing you a safe and happy Summer!
