

# Hillsborough's July Newsletter

Yes, summer is here. Temperatures are rising and it is very important to send your child to school everyday with sunscreen already on. We will reapply sunscreen to only those children who have turned in a consent form along with their sunscreen. If you need a consent form please see Mrs. Sutter in the front office. Splash days will begin July 8th and will be every Tues. and Thurs. afternoons. Swim Lessons will begin on July 6th. If your child is signed up for swim lessons, please send your child to school in their swim suit and with sunscreen already on. Also don't forget to label all items coming to school. One last reminder if you haven't yet paid for your Wed., events please do so ASAP. Thank you.

## Important Reminders...

Splash days are Tue. & Thurs. afternoons. Please make sure to bring a swimsuit, towel, watershoes and a bag for wet items for your child. Please remember to take home wet items daily for washing. Thank you.

happy  
**birthdays**  
to the following students...
