

Elementary Summer Camp Information

Hillsborough offers an elementary summer camp filled with fun activities. Our structured program allows your child to have a safe, fun and active summer. Your child will swim on campus in our pool and have water play days. We have a game room with board games, video games and arts & crafts. Your child will be involved in team building activities, science experiments and cooking projects. Each week they will learn fun facts about our weekly themes and create fun art projects. See the monthly calendars for more information.
